

SENATE BILL 936

By Faulk

AN ACT to amend Tennessee Code Annotated, Title 54,  
Chapter 5, Part 8, relative to relocation of utilities.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 54-5-803, is amended by adding the following language as a new subsection:

(d) The department's chief engineer shall act as liaison between the utility and the department's contractor on any project to which §§ 54-5-801 — 54-5-806 are applicable.

SECTION 2. This act shall take effect July 1, 2011, the public welfare requiring it, and shall apply to any relocation of utility facilities authorized on or after such date.
